SUBJECT MATTER: ArtsWest's 2019-2020 season, *Agents of Change*, is a season of theater about revolutions and the people who participate in them - in big and small ways, in public and private spheres. We might have called this season "Revolutions," but in this all too important year, we've chosen to dig into our own mission statement, which guides us toward using "live theater as a powerful agent of change," for inspiration in our programming. What does it mean and what does it take to make change in our lives, both personal and public, together and independently? Publically, we've seen a lot of change, as we always have and always will – what's the next step? How do we move forward, ensuring growth as we do? This season, we are encouraging artists to submit work that probes, interrogates, and celebrates change, growth, renewal - and revolution. We are able to accommodate all wall-mounted visual art, small space for ceramics, no video installations.

DELIVERY & PICK-UP: Artwork must be hand-delivered and picked up on a date and time that is coordinated with our Technical Director. There is very limited storage on site. Most installations occur on the weekend, Mondays or Tuesdays.

ART SALES: Contact information of interested buyers will be provided directly to artists to complete purchase transactions. No sales commission is charged and ArtsWest is not a 3rd party in the sales of art.

LIABILITY: Please be advised that every reasonable precaution will be taken during the receiving, installation, exhibition and return of your artwork but ArtsWest employees, volunteers and patrons do not assume responsibility for loss or damage that might be incurred during this process. All work needs to be of substantial enough nature to withstand these procedures. We encourage each artist to carry their own insurance and to be involved in installation/de-installation.

DEADLINE: SEPTEMBER 13, 2019

Artists will be notified as soon as decisions are made.
